

THE PINWOOD PLEA

(To the tune of: My Bonnie Lies Over the Ocean)

**My dad, he cut out my race car,
He put the wheels on himself.
My Dad then sanded the car smooth,
And put it up high on a shelf!**

Chorus:

*Give Back, Give Back,
Give back my car kit to me! To me!
Give Back, Give Back,
Oh, give back my car kit to me!*

**My Mom, she then took my car down,
But painted it all by herself!
She added a cute little driver,
And put it right back on the shelf!**

(Chorus)

**So I went and bought my own car kit,
And built a car all by myself,
I won first place at the derby,
And put the award on that shelf!**
