

Poisonous Spiders in Virginia

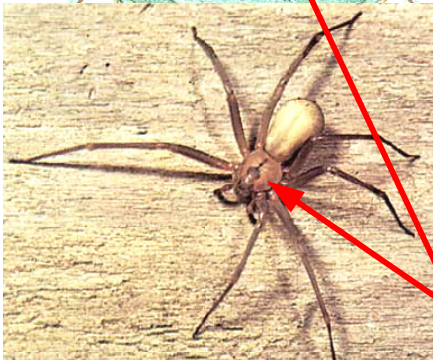

Black Widow

- About the size of a dime with shiny black body
- Red hourglass on belly
- Likes very dark places underneath leaves, rocks, swimming pools, and logs
- VERY strong web
- Poison will make you sick

Brown Widow

- Same size and body shape as black widow
- Brown with yellow and black dots
- Red hourglass on belly
- Lives in same places as black widow
- Spiky egg sac

Look for the "fiddle" on his back

Brown Recluse

- About the size of a quarter with dark brown legs and yellow-brown belly
- Likes dark places indoors and outdoors
- Has violin marking on head and body
- NOT very common around here but sometimes found
